

## **CAPABILITY SUMMARY**

J & B Hartigan Inc. is a privately held, CVE certified Service Disabled Veteran Owned Small Business (SDVOSB), founded in 2002, and incorporated in 2011. Headquartered in Carrollton, Virginia, we also maintain offices in Seattle, WA, northern Virginia, and South Carolina.

JBH focuses primarily on federal, state, and local government clients and their growing needs. JBH combines our deep industry experience with government experts who have substantial knowledge of the inner workings of each client's organization. Our established leadership and program managers have the expertise to identify and provide solutions within their fields, allowing us to provide dependable, cost-effective, and sustainable solutions for a multitude of government agencies.

JBH provides a broad range of professional services including acquisition management and support, program and project management, administrative services, management consulting (business and IT), training services, information security, construction, architectural and design services.

JBH was founded on a set of guiding principles that include ethics, teamwork, and innovation. We establish long-term relationships based on mutual trust, respect, perseverance, and continuous communication with our customers. JBH takes pride in hiring our veterans when they are the right person for the job.
