ABOUT US

J&B Hartigan, Inc. (JBH) is a privately held, CVE certified Service Disabled Veteran Owned Small Business (SDVOSB), we were founded in 2002 and incorporated in 2011, we are headquartered in Carrollton, Virginia.

JBH focuses primarily on federal, state, and local government clients and their growing needs. JBH combines our deep industry experience with government experts who have substantial knowledge of the inner workings of each client's organization. Our established leadership and program managers have the expertise to identify and provide solutions within their fields, allowing us to provide dependable, cost-effective, and sustainable solutions for a multitude of government agencies.

JBH provides a broad range of construction management and professional services including contract management and support, program and project management, administrative services, management consulting (business and IT), training services, information security, construction, architectural and design services.

JBH was founded on a set of guiding principles that include ethics, teamwork, and innovation. We establish long-term relationships based on mutual trust, respect, perseverance, and continuous communication with our customers. JBH takes pride in hiring our veterans when they are the right person for the job.

PRESIDENT, OWNER

Dr. John Hartigan, PhD is an experienced leader in the federal and commercial business sectors focused on construction, acquisition, contracting, process improvement and information security. He has lead JBH through 1M+ contracts, supervising multiple subcontractors across all domains and trades. He has more than 30 years of experience in Program and Construction Management with extensive knowledge of security, architecture, cost, policy, and design guidance for business systems and secure facilities. Dr. Hartigan has experience with the DOD 5000, BCL, JCIDS, ERP's, HIPPA Privacy and EHR's. He has expert knowledge of the FAR, DFAR, GAAP, and EVMS. Dr. Hartigan is a DAWIA Level III Program Management, Management Professional, Certified Information System Security Professional, (CISSP) and Federal IT Security Professional- Manager (FITSP-M). He also maintains the following professional credentials: DBA, PMP, CPHIMS, CHSP, OSHA 30 and Six Sigma Black Belt.

VICE PRESIDENT

Ms. Barbara Brann, PMP is a senior business leader, analyst, program manager, and trainer: experienced in federal and commercial business and information operations, she has over 30 years of experience. She has focused on developing and implementing program management, training, and employee development across the company.. She has expert knowledge of the business lifecycle, human resource administrative laws, policies, regulations, and precedents applicable to the administration of important corporate and public programs, ISO 9000, and ERP's. She has experience with small businesses, with responsibility for business development, operational leadership, budget, schedule, certification of staff; and finances with profit and loss responsibility. She is a certified PMP, Certified Trainer for the IRS, and a Registered Representative for the Securities and Exchange Commission licensed as a Series 7 & 63 financial analyst.
