J&B HARTIGAN CAPABILITY STATEMENT

J&B Hartigan, Inc. (JBH) is a privately held, CVE certified Service Disabled Veteran Owned Small Business (SDVOSB), we were founded in 2002 and incorporated in 2011, we are headquartered in Carrollton, Virginia. JBH focuses primarily on federal, state, and local government clients and their growing needs. JBH combines our deep industry experience with government experts who have substantial knowledge of the inner workings of each client's organization. Our established leadership and program managers have the expertise to identify and provide solutions within their fields, allowing us to provide dependable, cost-effective, and sustainable solutions for a multitude of government agencies.

JBH provides a broad range of business and construction professional management services. Our portfolio includes management consulting, program/project management and administration. JBH is an experienced provider of construction, architecture and engineering design, and acquisition support. As a professional services and information technology firm, we also provide information security, training and business process engineering. JBH holds a Top Secret Facility clearance.

JBH was founded on a set of guiding principles that include ethics, teamwork, and innovation. We establish long-term relationships based on mutual trust, respect, perseverance, and continuous communication with our customers. JBH takes pride in hiring our veterans when they are the right person for the job.
